Disclaimer

Security equipment fitted is a deterrent, and does in no way guarantee against theft of the vehicle or its contents. The Installation Company accepts no liability for any losses, injury or loss of life as a result of fitted equipment failure. It is strongly recommended that the user regularly self tests the Equipment. Security equipment should be inspected by an MESF Specialist member annually, to ensure correct functioning. A new certificate will be issued. This certificate is given in good faith. Neither the MESF nor its members accept liability for theft of or from the vehicle, nor for the unauthorised driving of the vehicle or for any other losses whatsoever.

Data Protection Act. Information on this Certificate may be recorded on a database. Please tick this box if you do not wish to receive news or offers.

Terms and Conditions
Temporary Installation/Warranty Certificate

General

New Units supplied by but not fitted by MESF Approved Specialist members are covered by a 12 months parts warranty from the date of purchase. New Units supplied by and fitted by MESF Approved Specialist members are covered by a 12 months parts and labour warranty from the date of purchase.

Additionally, during this period of 12 months, warranty work will be carried out by another MESF Approved Specialist member if the supplying MESF Approved Specialist member is no longer in business or unable to provide after sales service because of distance.

Furthermore, should any repair or replacement again be defective within the original 12 month period the MESF will ensure those faults will be rectified.

Exceptions

- a) Work covered by a manufacturer recall of the product;
- b) Consumer replaceable items including, but not limited to, batteries, light bulbs and other consumable items;
- c) Cosmetic items such as trim, scratches and rust;
- d) Breakdown caused by abnormal use;
- e) Deliberate damage or neglect;
- f) If the product has been supplied (but not installed) by a MESF Approved Specialist member removal and refitting will be chargeable;
- g) This warranty does not extend to upgrading faulty equipment or the labour involved in upgrading performance beyond that originally specified. Nor, does it cover suppression problems.

Note: The MESF and its members shall not be responsible for any loss suffered as a result of any installation or operation of the product whether direct or indirect, or for any loss other than the repair and/or the replacement cost of the product alone.

Procedure

Should a fault be suspected then the customer must contact the supplying MESF Approved Specialist member without delay.

If the MESF Approved Specialist member is no longer in business then a copy of this Warranty should be sent to the MESF at the address below. Arrangements will then be made to provide alternative help via the nearest or most suitable MESF Approved Specialist member.

Statutory Rights are unaffected by the terms of this Warranty.
